BUTTERFLY RESORT

Writer : Donchai , Photo : Panithan

Butterfly Resort, its name probably comes from its location, San Pee Sua one of Chiang Mai's old areas near the Ping river. Butterfly Resort beautifully blends itself with the surrounding with its unique idea of using antiques like a classic telephone as a water tap! If this doesn't interest you enough, Butterfly Resort's garden is just right at the river bank and it also has a restaurant. Butterfly Resort guarantees romantic atmosphere for all.
